Dear Distinguished Colleagues and Participating Delegates of **NANOCON 2010**

Subject: Publication of the Presented Papers of the **NANOCON 2010** Conference in International Peer Reviewed Journals

Seasons Greetings

We are glad to inform you that your research paper is likely to be published in one of the following peer reviewed Journals of International repute with good Impact factor. Editors of following Journals have agreed to Publish Paper presented at NANOCON 2010 after Peer Review process.

2. **Journal of Nanoscience & Nanotechnology** (www.aspbs.com/jnn)
3. **Advanced Science Letter.** (www.aspbs.com/science.htm)

In order to publish your research paper in the said journals, full manuscript is required to be submitted on or before **25th September 2010** without any exception. This deadline for submission of manuscript should be strictly observed as it has been prescribed by the editors of the respective journals. Allocation of the papers to these journals will be done after preliminary review of your manuscript by NANOCON 2010, Technical Committee. Kindly send your manuscript of your research paper to nanocon2010@bvucoep.edu.in

Please make sure that the manuscript you are submitting after reading this letter **must meet the Guidelines of the Journal as prescribed below.** For more information about the Journals, kindly log on to the website link provided above.

Final decision about the acceptance or rejection of the submitted manuscript will be made by referees selected by NANOCON 2010 Technical Committee and Editors based on, whether the manuscript is meeting the ‘quality standard’ as per the guideline of the journals, and/or need further revision, etc.

The ‘quality standard’ basically includes:

- Meeting the **scientific standards** (original unpublished technical data and figure(s), appropriate technical discussion on the experiments and results, and ‘references’ content)
- Meeting the manuscript length (maximum number of pages) requirement set by the conference
- Meeting the Grammatical English language Standards so that the paper is linguistically correct
Please be advised that, we won’t be able to include your paper if the Manuscript Submission deadline is not adhered to.

Journal Guidelines For Submission of the Manuscript

TYPE SETTING: All manuscripts must be in English, typed double-spaced on one side of the page throughout (including footnotes, references, tables, legends) on 8.5" x 11" or A4 white paper leaving at least 1 inch left hand margin.

INTRODUCTORY MATERIAL: The first page of the manuscript should have a concise title limited to about 15 words and the names of all authors, complete mailing address for correspondence, telephone, fax numbers and email address. Please indicate with an asterisk (*) the author to whom correspondence regarding the manuscript should be directed.

ABSTRACT: All manuscripts must contain an informative 150 to 300 words abstract explaining the essential contents of the work, key ideas and results.

FIGURES: It is very important to supply high quality figures in a form suitable for reproduction. All figures, tables, illustrations, photographs should be prepared in such a way that they could be printed in a single column size with a width of 3 1/4 inches or 8.25 cm. Use 14 ARIAL BOLD font for legends and 12 ARIAL font for numbering/wordings in figures, use the same font for all figures. Only if absolutely necessary should figures/tables/photos occupy double columns. Each figure must be referred to in the text and will be printed in black and white unless otherwise instructed by the authors. Each Figure should be submitted on a separate sheet and marked with the name of the author, title of manuscript and figure number. All formulae and figures should be carefully drafted and never drawn freehand. High quality original figures and glossy prints of all photographs are required. Photocopies of the figures and photographs are not acceptable.

FREE COLOR PRINTING: Color illustrations are most welcome by the journal as they are effective in conveying complex graphs and photographs. Free color printing at the Editor-in-Chief’s discretion, will provide an opportunity to publish color figures/illustrations in print at NO COST to the authors.
PHOTOGRAPHS: Half-tone illustrations should be supplied as clear, glossy, unmounted prints. The author's name, title of manuscript and figure number should be written on the back.

TABLES: Each table must be referred to in the text. Each table should be typed double-spaced on a separate sheet and identified sequentially by Arabic numerals corresponding to the order in which they appear in the text. Each table should have a brief explanatory title, which should be labeled unambiguously. The position of each table should be clearly marked in the text.

UNITS: Internationally accepted units of measurement must be used. The units of measurement are used in conjunction with their numerical values; the units should be abbreviated as suggested below. If more commonly used units are adopted, conversion factors should be given at their first occurrence. Greek symbols may be used.

- %, °C, nm, μm (not m), mm, cm, cm³, m, h (or hr), min, s (or sec), μg, mg, g (or gm), kg, cal, kcal, in. (or write out inch), ml [write out liter(s)].

The APS style guide can be used as a general reference on matter of units, grammar and formatting.

ABBREVIATIONS: No abbreviations are allowed in the title and abstract and should be defined the first time they are used within the text. The "Journal of Nanoscience and Nanotechnology" should be abbreviated as J. Nanosci. Nanotechnol. for the citation purpose.

REFERENCES: References should be in the proper format on a separate page, numbered in the sequence in which they occur in the text. Cite references numerically as superscripts in the text and list at the end of the manuscript. References should be listed in the following style:

Do not use the phrases "et al." and "ibid." in the reference section. Instead, the names of all authors in a reference must be listed.

**ACKNOWLEDGEMENTS:** These should be brief and placed at the end of the text before the references.
