

Process of fee collection

Payment of fees: – Following modes of payment of fees are applicable for online payment

- NEFT

University has developed a mechanism for payment of fees through NEFT by creating a virtual account number for every student with allotted PRN.

You are having your **PRN** (Permanent Registration Number) if not you can get it from your college or it is printed on your mark sheet. you will be provided with Permanent Registration Number (10digit) e.g. 1400004567. Your PRN is converted to your virtual account number with Bharati Sahakari bank by prefixing alphabets '**BSBLP**' e.g. virtual account number for a student becomes '**BSBLP1400004567**'.

It is a sincere request to get acquainted to this mode of payment of fees throughout your education into this university. All along your years of education, this single virtual account number can be utilized for payment of all types of fees.

For utilizing NEFT/RTGS payment channel, there are two ways

1. If you have an account in any bank with Internet banking facility, you can utilize internet facility available to you in college office for payment of fees.
2. Those who are not having internet banking facility with their banks, will have to approach their bank and implement through it. You or your parents will have to fill up RTGS/NEFT request form and also provide a cheque for a particular amount to your bank.

Pay all types of your fees using following details
